Dear Author

While we are now processing the pdf files you sent us about your presentation at the BioMM Conference, we were required by Elsevier to send them not only the pdf file but also the Word (.doc) file to process and publish it on Materials Today: Proceedings as soon as possible.  
So we are kindly asking you to send us the .doc version of your file at your earliest convenience, in such a way we can speed up the publication of the Proceedings.

Do not hesitate to contact me if you need.  
Thank you for understanding and best regards

Mario Guagliano
